

NON-STICKY FRYING PAN

- Size: 8"
- Material: stainless steel
- Features: non-sticky
- Accessories: lid, non-sticky friendly wooden spatula

SINGLE COOK TOP (2000 W)

- Type: infra-red
- Power: 2000 watts
- Input voltage: 220-250 volts
- Burners: 1
- Features: digital display screen
- Warranty: 1 year

SINGLE PLATE ELECTRIC HOT PLATE

- Power: 1500 watts
- Input voltage: 220-250 v
- Burners: 1
- Hot plate type: iron case hot plate
- Features: adjustable temperature

PRESSURE COOKER 22 LITER

- Color: white
- Base flat diameter: 245 mm
- Base thickness: 4.88 mm
- Carton dimensions: 475x430x400 mm
- Product weight: 9.5 kg
- Material: high perssurized aluminum alloy
- Lifting handles: pair of sturdy lifting handles attached to the side for convenience
- Warranty: 1 year

INDUCTION STOVE SINGLE COOK TOP

- Control: touch
- Wattage: 2000 watts
- MATERIAL:
 - Body: anti-magnetic wall
 - Top: glass (tempered glass) with anti skid steel ring
- Power source: induction
- Display: power consumption, on beep with sound
- Input power: 220 v 50 hz ac
- Warranty: 1 year

FEATURES

- Automatic shut-off
- Over heat protection
- Multi-level power functions
- Timer facility

PRESSURE COOKER 12 LITER

- Color: white/black
- Capacity: 12 ltr
- Material: stainless steel
- Features: automatic safety valve
- Warranty: 2 years

INDUCTION STOVE DOUBLE COOK TOP

- Control: touch
- Wattage: 2000 + 2000 watts
- MATERIAL :
Body: anti-magnetic wall
Top: glass (tempered glass) with anti skid steel ring
- Power source: induction
- Display: power consumption, on beep with sound
- Input power: 220 v 50 hz ac
- Warranty: 1 year

FEATURES

- Automatic shut-off
- Over heat protection
- Multi-level power functions
- Timer facility

PRESSURE COOKER 5 LITER

- Color: white/black
- Capacity: 5 ltr
- Material: stainless steel
- Features: automatic safety valve
- Warranty: 2 years

PRESSURE COOKER 3 LITER

- Color: white/black
- Capacity: 3 ltr
- Material: stainless steel
- Features: automatic safety valve
- Warranty: 2 years

FEATURES

- Automatic shut-off
- Over heat protection
- Multi-level power functions
- Timer facility
- Control: touch
- Wattage: 1600+1800+2000 watts
- MATERIAL:
 - Body: anti-magnetic wall
 - Top: glass (tempered glass) with anti skid steel ring
- Power source: induction
- Display: power consumption, on beep with sound
- Input power: 220 v 50 hz ac
- Weight bearing capacity: 35 kg each
- Warranty: 1 year

INDUCTION STOVE TRIPLE COOK TOP

MICROWAVE OVEN, 30 LTRS

- Function: convection
- Capacity: 30 ltrs
- Output: 700 w
- Power level: 6
- Display: led
- Auto cook menu: 20
- Control: manual
- Cooking end signal: yes
- Power: 900 watts
- Supply: 220v/50hz
- Cavity: rustproof stainless steel
- Turnable diameter: 320mm
- Warranty: 1 year

FEATURES

- Browning function
- Child safety lock, combination function, convection bake grill, cook navigator, one touch sensor, turbo defrost

RICE COOKER 20 LTR

- Power: single phase, 2500 w
- Material: steel
- FEATURES
Automatic shut off
Keeps food warm automatically
- Capacity: 20 ltr
- Warranty: 2 years

RICE COOKER 5 LTR

- Power: single phase, 700 w
- Capacity: 1 kg raw capacity
- Warranty: 1 year

ELECTRIC RICE STEAMER 25 KG

- Manual: english
- Warranty: 2 years
- Trays: 6
- ACCESSORIES:
 - 1 set power plug
 - 1 set of heating coil and thermal sensor
 - 5 spare trays (3 with holes and 2 normal)
 - Electrical accessories for installation
- Material: stainless steel 304
- Cooking capacity: 25 kg for rice
- Steam time: max 60 minutes for rice
- Heat preservation time: 2.5 hours
- POWER:
 - Maximum power consumption 25 kw
 - Power supply system: three phase
 - Supplied with mcb/mccb with 5 mtr cable
- Type: electric rice steam cooking with multifunction cooking facility of rice, eggs, meat, vegetables and momos

ELECTRIC RICE STEAMER 50 KG

- Warranty: 2 years
- Manual: english
- Door: single
- Insulation: polyurethane foam
- Material: stainless steel 304
- Time: 45 minutes for rice
- Cooking capacity: 50kg for dry rice
- Trays: minimum 10 trays (2mm thickness)
- Accessories : 5 trays (3 with holes & 2 normal)
- Tray properties: scratch resistance, stainless steel, removable
- Heat preservation: minimum 3 hours
- Power: 10KW; 440V;50Hz
- Power supply: three phase; 3 meter cable
- Type: electric rice steam cooking with multifunction cooking facility of rice, eggs, fish, mutton, chicken, vegetables and momos

FEATURES

- Has two fixed and two movable wheels for movement
